SECTION 13.4 - VOLUME 1 SECTION 1 - INSTRUCTIONS TO TENDERERS

Instead of:

- 13.4 Tenderers must quote all components of breakdown of the lump-sum price. No payment will be made for items which have not been costed; such items will be deemed to be covered by other items on the breakdown of the lump-sum price. Quantities referred in Volume 4 are only indicative; the exact estimation is the sole responsibility of the tenderer.

Read:

- 13.4 Tenderers must quote all components of breakdown of the lump-sum price. No payment will be made for items which have not been costed; such items will be deemed to be covered by other items on the breakdown of the lump-sum price. Quantities referred in **Volume 3&4** are only indicative; the exact estimation remains at the sole responsibility of the tenderer.

SECTION 16 - VOLUME 1 SECTION 1 - INSTRUCTIONS TO TENDERERS

Instead of:

Variant solutions will not be taken into consideration.

Read:

Variant solution(s) will be taken into consideration only for the new building no. 4. Any submitted variant solution for the new building no.4 will be evaluated only for the awarded tender and it should be submitted as per the presentation mentioned in article 17.5 of the instruction to tenderers. Variant solution may be more or less expensive of the mandatory standard solution to be indicated in the main offer as per Tender Dossier, For other tasks variant solutions will not be taken into consideration.

SECTION 17 - VOLUME 1 SECTION 1 - INSTRUCTIONS TO TENDERERS

Instead of:

Read:

17.5 In case of variant solution(s) is/are submitted as per section 16 must be submitted in an inner separate sealed envelope(s) clearly marked “variant solution”, and it must contain a technical and a financial offer. bearing only:

- a) the name of the tenderer.
- b) Variant Solution (A, B, n..)

Only the variant solution(s) proposed by the selected tenderer for awarding will be considered by the Contracting Authority.

SECTION 22.3 - VOLUME 1 SECTION 1 - INSTRUCTIONS TO TENDERERS

Instead of:

Once the technical evaluation has been completed, the evaluation committee checks that the financial offers contain no arithmetical errors. If the bid procedure contains several lots, financial offers are compared for each lot. The financial evaluation will have to identify the best financial offer for each lot, taking due account of any discounts offered.

When analysing the bid, the evaluation committee will calculate the final bid price after adjusting it on the basis of Clause 23.
